Merryhill School Milpitas

1500 Yosemite Drive
Milpitas, CA 95035

Welcome to

Dear Parents,

Thank you for your interest in our summer camp program for your child. We recognize that school-age children want hands-on activities, weekly fieldtrips and lots of fun. As a result, when we design our summer program, we focus on three components: **Exploring, Fun, and Making Memories.**

While our focus is to provide many opportunities for our children to enjoy their summer time, we also want to make sure that our children continue to learn. As a result, we also include academic review in Reading and Math.

School-age children love exploring. We provide weekly fieldtrips for our children to travel all over the Bay Area to explore, have fun, and most importantly connect with their friends.

My staff and I are very excited to be a part of your child's life and together, we will have fun in the "Summer of Discovery" summer camp program.

Best regards,

Mrs. Michele Martinez
